Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Middlemarch a Study of Provincial Life, Vol. 1 of 2 Time, has not dwelt, at least briefly, on the life of Saint Theresa, has not smiled with some gentleness at the thought of the little girl walking forth one morning, hand-inhand with her still smaller brother, to go and seek martyrdom in the country of the Moors? Out they toddled from rugged Avila, wide-eyed and helpless-looking as two fawns, but with human hearts, already beating to a national idea; until domestic reality met them in the shape of uncles, and turned them back from their great resolve. That child-pilgrimage was a fit beginning. Therasas passionate, ideal nature demanded an epic life: what were many-volumed romances of chivalry, and the social conquests of a brilliant girl, to her? Her flame quickly burned up that light fuel; and, fed from within, soared after some illimitable satisfaction, some object which would never justify weariness, which would reconcile selfdespair with the rapturous consciousness of life beyond self. She found her epos in the reform of a religious order. That Spanish woman, who lived three hundred years ago, was certainly not the last of her kind. Many Therasas have been born, who found for themselves no epic life, wherein there was a constant unfolding of far-resonant action; perhaps only a life of mistakes, the offspring of a certain spiritual grandeur, ill-matched with the meanness of opportunity; perhaps a tragic failure, which found no sacred poet, and sank unwept into oblivion.
