RAWHIDE RANGER, IRA ATEN: ENFORCING LAW ON THE TEXAS FRONTIER

University of North Texas Press,U.S. Hardback. Book Condition: new. BRAND NEW, Rawhide Ranger, IRA Aten: Enforcing Law on the Texas Frontier, Bob Alexander, Winner of the Best Book Award from the Wild West History Association, 2012. Ira Aten (1862-1953) was the epitome of a frontier lawman. When as a youth he heard of the killing by Rangers of the notorious outlaw Sam Bass at Round Rock, Aten's neighborhood, he altered his plans of being a cowboy and instead set his sights on becoming a Texas Ranger. At age twenty he enrolled in Company D during the transition of the Rangers from Indian fighters to topnotch peace officers. This unit--and Aten--would have a lively time making their mark in nineteenth-century Texas. The preponderance of Texas Ranger treatments center on the outfit as an institution or spotlight the narratives of specific captains. Bob Alexander aptly demonstrated in "Winchester Warriors: Texas Rangers of Company D, 1874-1901 "that there is merit in probing the lives of everyday working Rangers. Aten is an ideal example. The years Ira spent as a Ranger are jam-packed with adventure, border troubles, shoot-outs, solving major crimes--a quadruple homicide--and manhunts. Aten's role in these and epochal Texas events such as the racially insensitive Jaybird/Woodpecker Feud and the bloody Fence Cutting Wars earned Ira's spot in the Ranger Hall of Fame. His law enforcing deeds transcend days with the Rangers. Ira served two counties as sheriff, terms spiked with excitement. Afterward, for ten years on the XIT, he was tasked with clearing the ranch's Escarbada Division of cattle thieves. Aten's story spins on an axis of spine-tingling Texas history. Moving to California, Ira was active in transforming the Imperial Valley from raw desert into an agricultural oasis. Unmistakably he was public spirited and committed to community betterment. Relying on primary source...
