Reviews

This publication is fantastic. We have read through and i am certain that i will planning to read yet again yet again down the road. You wont feel monotony at at any time of your respective time (that's what catalogs are for concerning when you request me).

(Alec Langosh)

THE OXFORD COMPANION TO SCOTTISH HISTORY

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, The Oxford Companion to Scottish History, Michael Lynch, The Oxford Companion to Scottish History interprets history broadly, including archaeology, architecture, climate, culture, folk belief, geology, and the languages of Scotland. It covers more than 20 centuries of history, including immigrants, migrants, and emigrants. It extends from Orkney and Shetland to Galloway, the Western Isles to the Borders. It deals extensively with Scots abroad, from Canada to Russia to New Zealand. It includes entries on historical figures from Columba, Macbeth, and William Wallace to James (Paraffin) Young. It covers Burns Clubs, curling, and shinty. It ranges from clans to Clearances and Covenants. Over 500,000 words in length, and written by more than 70 distinguished contributors, it aims to explain as well as describe. It is more than a historical dictionary or an encyclopedia. Multi-authored entries analyse key themes such as kingship, national identity, women and society, urban and rural life, the economy, housing, living standards, and religious belief across the centuries in an authoritative but approachable way. The Oxford Companion to Scottish History has a broader range of topics and approaches, and a more authoritative list of contributors than any of its competitors. It also stands alone in providing analysis of issues such as national identity and living standards.
