Four years ago, Judith and her best friend disappeared from their small town of Roswell Station. Two years ago, only Judith returned, permanently mutilated, reviled and ignored by those who were once her friends and family. Unable to speak, Judith lives like a ghost in her own home, silently pouring out her thoughts to the boy whos owned her heart as long as she can remember--even if he doesnt know it--her childhood friend, Lucas. But when Roswell Station is attacked, long-buried secrets come to light, and Judith is forced to choose: continue to live in silence, or recover her voice, even if it means changing her world, and the lives around her, forever. This startlingly original novel will shock and disturb you; it will fill you with Judiths passion and longing; and its mysteries will keep you feverishly turning the pages until the very last.
