

The Trouble with the Truth: Balancing Truth and Grace

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

Abingdon Press. Paperback / softback. Book Condition: new. BRAND NEW, The Trouble with the Truth: Balancing Truth and Grace, Rob Renfroe, There's a lot of talk today about "culture wars," but these external conflicts are only a symptom of a deeper problem: there is trouble with the truth. Beneath our differences about the values that should define our culture is a real disagreement about what is true. Those who hold to the traditional beliefs of the Christian faith find themselves at odds with a culture that no longer believes there are universal spiritual or moral truths that apply to everyone. And they grieve that the confusion about what is true is just as strong in the church. The Trouble with the Truth explores the truth--why it's in trouble, what the culture tells us about it, and why the church is so confused about it. In an engaging and compelling style, Rob Renfroe reminds us that the Christian life requires commitment to both truth and grace. Like a tightrope walker with a balance bar, we must learn to balance compassion for people and passion for truth, combining them in equal measure just as Jesus did. Readers will examine the essentials about truth and grace, understand the differences between a cultural worldview and a scriptural worldview, and discover how to be instruments of real influence and transformation in our time by following Jesus's example. A DVD featuring six interviews with the author and a full leader guide are available for group study.
