Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Courage To Core Algebra is a real-world, guided math workbook designed for students to work with their parents, tutors, other students or their teacher to explore algebra deeply. It covers the essentials for success in a ninth grade algebra course, connecting concepts and procedures to abundant real world examples. A teaching guide for each section, a set of cheat sheets which neatly summarize ideas, and selected answers are included. Courage To Core has been used by thousands of students to develop a deeper understanding of algebra. It is leveled so that both students who are struggling, advanced students and everyone in between can find challenge and success. It is also designed so that a parent can follow the mathematics and work with their child. We all have an innate curiosity about how the world works. We are wired to experiment at the edges of our knowledge, to look for patterns and to draw conclusions. Mistakes are the welcome surprises which help us refine the experiment. In a student-centered classroom, students collaborate to ask questions, gather data, interpret results and articulate understanding. Success at the edge of knowledge demands persistence and creativity. Courage To Core provides a context for students to work together with other students, their parents, tutors or teachers to become the agents of their success and the owners of their cognition. Courage To Core Algebra consists of 32 Common Core aligned sections which each typically require 1-3 class meetings to complete. The four topic areas are Number Sense from basic fractions to rationalizing denominators, Expressions and Equations including simplifying polynomials and solving linear equations, Linear Functions including systems, domain and range and inequalities, and Data and...
