

Dakota Grammar: With Texts and Ethnography

Filesize: 7.31 MB

Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

(Mallory Kertzmann V)

DAKOTA GRAMMAR: WITH TEXTS AND ETHNOGRAPHY

Minnesota Historical Society Press,U.S., United States, 2004. Paperback. Book Condition: New. 202 x 128 mm. Language: English . Brand New Book. Long out of print, this classic work on the Dakota language offers extensive information on Dakota grammar and contains a bilingual selection of Dakota myths. Dakota Grammar presents three interrelating aspects of language and culture, beginning with a detailed description of the Santee dialect of the Dakota language and its grammar. The texts of traditional stories, as recounted in Dakota by native speakers, are accompanied by full English translations. Riggs also provides an ethnographic overview of various aspects of Dakota culture and history that enhances the value of this book to all students of Dakota. A worthy companion to both Riggs s A Dakota-English Dictionary (MHS Press) and John P. Williamson s An English-Dakota Dictionary (MHS Press), this volume lives on as an important source for the preservation and revitalization of Dakota culture.
