America Star Books, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. If Not Now, When? is an autobiographical account of doctrinal lessons I have learned over the past forty years of my life. I take the reader on a journey of how I believe God looked after me, guided me, and brought people into my life to nurture me into becoming the man of God He would have me be. In this book I demonstrate the importance of timely action upon revealed truth; thus the title, If Not Now, When? Although the material presented is spiritual in nature, I find that the principles taught herein apply to all areas of one's life. The purpose of this book is to encourage the reader to participate in life. It is rather easy to sit back and watch life pass you by. If we want to get the most out of life we must get up and get actively involved. If not now, when?.
