Brand New Book ***** Print on Demand *****.Bill Durst, beloved family man, 42 was injured on the job. Denied surgery that would have given him his life back, the state buried him in medication, knowing it would bankrupt and kill him. Where there s a murder, there s a motive. Perry Marteney, \$20,000 in the hole from profitable prescription drugs, read a government website, put a pistol to his head as his doctor watched and prevented it. The doctor then began the research that uncovered the often horrifying reality of our broken medical system chronicled in this book. Our system has been corrupted and the taint has spread farther than we ever imagined. If you are not among the desirable elite, prepare to take your life into your own hands when you step through the doors of a hospital or urgent care clinic. No Absence of Malice: The Medical Culling of America proves that our health care systems are now being mismanaged by organized crime figures, corrupt government officials as well as doctors on the take. Think this is too far-fetched? Prepare to have your views shaken. It s no longer just money that s the bottom line. You have become the bottom line. Ever wonder why patient death rates have skyrocketed? Curious as to why so many people are placed on pain management only to die in the grips of agony? Burke has uncovered the shocking reality and proves the real reason behind this shift in health care. They don t want you to get well. The Hippocratic oath no longer applies.
