Reviews

This written publication is wonderful. It is probably the most incredible publication i actually have read through. Its been written in an extremely basic way in fact it is merely following i finished reading this publication where basically transformed me, alter the way i believe.
(Adan Fritsch)

Book Condition: New. Publisher/Verlag: Penguin US | New York Times bestselling author Sara Paretskys brilliant protagonist V.I. Warshawski returns in another hard hitting entry, combining razor sharp plotting and compelling characters with a heady mix of timely political and social themes. | In 1939, Dr. Lotty Herschel, V. I. Warshawski's closest friend in Chicago, escaped the Holocaust in Vienna with her childhood playmate, Kitty Saginor Binder. Though the two drifted and animosities grew between them over the years, when Kitty's daughter finds her life in danger, she turns to Lotty for help. In turn, Lotty summons V.I. to take the case. The threats on the daughter's life at first seem a simple case of bad drug dealings, but V.I. soon discovers that they are just the tip of an iceberg of lies, secrets, and silence whose origins trace back to the deadly race among America, Germany, Japan, and England to develop the atomic bomb. And while the secrets may be old, the people who continue to guard them will do anything to make sure they stay buried. | Format: Paperback | Language/Sprache: english | 200 gr | 176x105x27 mm | 432 pp.
