Behold, the nations are as a drop of a bucket, and are counted as the small dust of the balance. . . Isaiah 40: 15A fascinating title from creationist icon Henry Morris Perfect for Christians who focus on apologetics Focuses on a rare, but important topic: Gods plan for individual countries In the Bible, we see the interest God has in humans and their cultures. In the Old and New Testaments, the Hebrew and Greek words for nations occurs 720 times. Many of the nations that were given land and resources during Bible times have now passed into history, such as the Assyrians, Babylonians, and Hittites. We also know from secular history that civilizations like the Aztecs and Greeks are also largely removed from the scene. All this is due to those nations rejection of Gods laws. Indeed, of the 200 nations in existence today, only a handful actively seek God. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
