Reviews

This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Junius Herman)

WHAT HIGH SCHOOL DIDN T TEACH ME: A RECENT GRADUATE S PERSPECTIVE ON HOW HIGH SCHOOL IS KILLING CREATIVITY

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What High School Didn t Teach Me is a recent graduate s perspective on how high school is killing creativity by forcing students to memorize factoids, rather than inspiring them to pursue creative endeavors and teaching them how to problem solve. The author-Rajat Bhageria-describes how too many high school students today focus all of their efforts on maintaining high grades, rather than on developing intrinsic motivation for their passions. Bhageria addresses many major subjects in education reform: English, social studies, mathematics, sciences, research/engineering, entrepreneurship, computer science, liberal arts, the college process. Additionally he proposes a full revamp of the high school experience.
