Free Spirit Publishing Inc.,U.S., United States, 2005. Paperback. Book Condition: New. 178 x 130 mm. Language: English . Brand New Book. More kids than ever feel worried, stressed out, and anxious every day. Their parents and teachers may not know--because kids don t want to talk about it, or they don t know how to put their worries into words. Their secret stress surfaces as stomachaches, headaches, fatigue, trouble sleeping, loss of appetite, and an inability to concentrate. These and other stress-related symptoms can have a negative effect on school performance, family life, and friendships. From the best-selling authors of *True or False? Tests Stink!*, this book is a helping hand for kids and an eye-opener for adults. Reassuring words, silly jokes, and light-hearted cartoons let kids know they re not the only worry-warts on the planet--and they can learn to manage their stress. A *What, Me Worry?* section describes the causes of stress and its physical and emotional effects. *How to Be a Panic Mechanic* gives kids ideas for dealing with stress and being stronger and more assertive. Upbeat, positive, fact-filled, and friendly, this is the book on stress for kids and young adolescents.
