

Neuromuscular Quick Pocket Reference

By Lyn D. Weiss, Rawa Jaro Araim, Maryam Rafael Aghalar

Demos Medical Publishing, United States, 2012. Paperback. Book Condition: New. New.. 150 x 99 mm. Language: English . Brand New Book ***** Print on Demand *****. Neuromuscular Quick Pocket Reference provides easy and efficient access to common physical examination techniques and other neurological tests performed in a broad range of specialties. Mainly composed of tables, charts, and photographs, this handy reference puts together and organizes the information that clinicians use on a daily basis. The first part of the book covers musculoskeletal physical exam by region. Each entry is formatted and includes test name(s), purpose, techniques, clinical findings for positive test, sensitivity, specificity, and sources. Photographs showing proper placement and action accompany most entries and provide a visual blueprint for successfully replicating tests in the exam room. The second part of the book is devoted to common neurological tests and scales for on-the-go reference, including muscles, motor points, dermatomes and myotomes, spasticity findings, radiculopathies, traumatic brain injury assessment, stroke scales, pressure ulcers, and much more.
