The Brilliant Activities for Creative Writing series addresses the Programmes of Study for writing composition in the new (2014) national curriculum for England. Different genres of writing, from narrative and poetry to recounts and persuasive writing are covered. The series provides a flexible, but structured resource for developing writing skills, which both you and your pupils will enjoy. The sheets are self-explanatory and ready to use; the only additional resources needed are a pen or pencil and, sometimes, extra paper. Word processing on a computer would be a bonus.
