Rodaian Press, United States, 2009. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. The Last Testament of Jesus Christ is what it says. It is the last testament of the Ascended Master, Jesus Christ, on whom all Christianity is based. John Henry Morel takes one final look at his friend before saying goodbye, and it takes about 100 pages to do so, and in the words of the soviet master himself, I have no qualms about leaving. I just wish it had been sooner. In so many words, this is the last statement by the ascended master before his dissolution and dissolvment and removal from existence by the Supreme Magistrate Council and Higher Magistrate Council members. In other words, this is his final eulogy on the last few thoughts he had before being disengaged from substrate matter and metaphysical particle embodiment and returned to matter proper and a new round of embodiments in a universe not very different from this one, or like this one, just not this one, per se. He in fact, mentions his lack of reluctance to do so, given the extraordinary state of things at this time, and how difficult it has been for him these last 2,000 years or more, and he talks about this at great length in Mr. Morel s documentation of the Supreme Master s guilt over this mishandling of society and his own affairs with the ascended hierarchy of this system for the last several thousand years or so. In The Last Testament of Jesus Christ, we learn more about what actually happened on the cross and why he tells it differently than history does today. He also gives us added clues as to what went wrong and when everything...
