IN SEARCH OF THE MIRACULOUS: HEALING INTO CONSCIOUSNESS (REVISED EDITION)

Expanding Universe Publishing. Paperback. Book Condition: new. BRAND NEW, In Search of the Miraculous: Healing into Consciousness (Revised edition), Eliza Mada Dalian, Recipient of seven book awards, and amazon bestseller, this spiritual classic is a sparkling jewel in the field of personal growth and transformation. Written by a self-realized mystic, spiritual teacher, and internationally acclaimed master-healer, this book is filled with ageless wisdom that brings a new level of understanding to our journey of healing and enlightenment. Outstanding for it's precision, depth, ease of understanding, density of information, and uniqueness of format, it helps to shift ones perspective of spirituality into greater understanding. Written in simple to understand words that carry tremendous power, it is both a thought-provoking mind feast and a step-by-step road map to healing and becoming more conscious and free. Finally, one can comprehend the purpose of the ego instead of viewing it as the enemy, and understand the necessary stages of its development. The book also describes the steps we must take to transform the ego and achieve higher states of consciousness. The Q&A sections after each chapter help to bring the topics described in the chapters down to earth and refreshingly practical. The author's personal story at the end of the book ads a personal perspective on how she had walked the talk she now teaches. I enjoyed reading Mada's book, In Search of the Miraculous: Healing Into Consciousness. It has the ring of authenticity and offers a simple and elegant map of the path of enlightenment. -- Dr. Deepak Chopra This book is an essential how-to manual for living in the Now. Rob Spears, Conscious Talk Radio.
