Leisure Arts, United Kingdom, 2012. Paperback. Book Condition: New. 264 x 208 mm. Language: English . Brand New Book. Whether your home is cottage chic or traditional, the natural look of burlap adds casual style that s both modern and relaxed. Burlap s breezy charm and warm texture fit right in, from the kitchen to the bedroom. This inspiring book from the O Neil Sisters (Jennifer and Kitty) shows that burlap is so easy and versatile you can sew it into curtains or cut it into a table runner. Dress it up with lace appliques for a garden wedding or shape it into roses for a rustic wreath. You can even personalize it with stamps and stencils for sophisticated accents that are one-of-a-kind, such as a vanity stool and a pocketed message board. Paired with basics like duck canvas and ticking, burlap has a timeless beauty that makes it a decorating classic.
